## ANNOUNCE EIGHT URA-NAL SCHOLARSHIP WINNERS

AWSCHALOM

Universities Research Association, Inc., sponsors a scholarship program for children of URA-NAL employees who are starting college in a curriculum which leads to a degree.

Each URA-NAL scholarship covers tuition and required fees (excluding room, board and social fees) up to \$1,200 per year. Although URA cannot make a firm commitment, it hopes to be able to continue each scholarship until each recipient graduates, assuming that each makes at least normal progress and will maintain standards satisfactory to the academic institution he has chosen.

A check is sent by URA to the Bursar of the University selected with an appropriate explanation.

Bradley F. Bennett, Vice President for Administration, URA, explains that the award is based mainly upon performance in verbal and mathematical tests taken by the competitors.

The scholarship winners for this year and the schools they will attend are:

Leonardo Awschalom, son of Miguel Awschalom, Radiation Physics, who will be attending Northwestern University.

James Frazier, son of John Frazier, Legal, Monmouth College.

Stephen Hinterberger, son of Hank Hinterberger, Technical Services, the University of Illinois.

Joon Kang, son of Yong Woo Kang, Experimental Facilities, the University of Illinois.

Christopher Kleber, son of Frank Kleber, Main Ring, Vanderbilt University.

Christine Reardon, daughter of Paul Reardon, Business Office, Northern Illinois University.

Dorothy Van Leesten, daughter of Hendrik Van Leesten, Main Ring, Northeastern University.

Kevin Walsh, son of Frank Walsh, Material Services, who will attend the University of New Mexico.

A HOLE IN ONE!

Friday, June 18th, will be a day Bob Maletto, Material Services, will long remember. He joined the very exclusive "Hole-In-One Club" while playing golf with Donald Smith, Material Services, and John Clarke, Meson Laboratory, at the Valley Green Golf Course, North Aurora. He whacked the ball from the tee at the 17th, 170-yard, hole with a 4-iron. This is Bob's first serious year of playing golf and his buddy, Don Smith, was even giving him a stroke a hole - we guess the honeymoon is over now, Bob!!

HAPPENINGS AT THE 200 BeV AREA OFFICE - By Minerva H. Sanders

We extend a hearty welcome to Jose Lozano, our electrical engineer technician, who has joined our engineering staff for the summer. Jose is a senior at the University of Chicago Circle Campus. Also on the scene, basking in our welcome greetings, is Ron Hosford, our replace-counselor for William Donato. Donato is on military leave for two weeks in Hattiesburg, Mississippi.

The month of June proved to be a prosperous one for Leticia Salazar. Leticia graduated from Aurora East High School, became engaged to Joel Hernandez, and received a promotion on the job. How about that!!

Also standing in line for "special" mention is Marilyn Bailey - another promotion recipient. Marilyn serves as secretary to Jack Kiefer, Ron Zeitler, Kellogg Morton, Ruby Bland, and occasionally, does secretarial work for Bob Laza and Bill Donato. (What's that you say - you want to know what I do. Well, I...)

BAILEY

MORTON

PROUD PARENTS: Kellogg Morton's daughter, Sharon, graduated from the Burnham Grammar School in Chicago; and my son, Wilbert, was a graduate of Melrose Park Grammer School, Melrose Park.

....More than 300 members of the NAL Family braved the wind and rain to attend the Luau held in the NAL Village Barn Saturday, June 19. In fact, it was such a well-attended affair that the caterer ran out of food.

At left, John Barry, Director's Office, looks happy despite the fact that he just emerged from a dunking in the NAL pool. At right, in the water, is Bernie Lensmeyer, NAL Cafeteria Manager....

FTS CODE CHANGES JULY 1

Effective July 1, 1971, NAL's FTS identification code will be changed as follows:

<u>OLD ID CODE</u>	<u>NEW ID CODE</u>
JK-89-59	6JK-89-59

An employee placing a call to an off-net telephone number should give the FTS Operator his name, ID Code and the telephone number being called. An employee in travel status should so advise the FTS Operator when placing calls from off-net to on-net locations.

As a reminder, all long distance calls (excluding the 312 Area Code) should be made on the FTS network. Refer to your FTS Directory.

....Mr. and Mrs. George H. Olsen (June, Personnel) attended the Awards Convocation by the Department of Civil Engineering at the University of Illinois to see their son Craig, second from the right, honored when he was presented the highest award the Ira O. Baker first place and the American Society of Civil Engineers' award. Craig's fiancée, Kathy C. Wells, is at right....

NALWO: A family barbecue will be sponsored by the NALWO Gourmet Group at the White Farm Sunday, July 18, from 2:00 p.m. to 5:00 p.m. for NAL employees and visitor families. Reservations must be made by Monday, July 12, with Mrs. Mary Ann Ryk, phone 968-8651. When she receives a call for reservations, Mrs. Ryk will advise each family what food to bring as the price of their admission. Menu plans include Shish Kabobs for adults and hot dogs for children. Iced tea, lemonade and coffee will be provided.

MARK YOUR CALENDAR: Chuck Marofske, Personnel Manager, is arranging a bus trip and tickets for NAL employees to attend the football game featuring the College All-Stars of 1970 and the Baltimore Colts at Soldier Field in downtown Chicago on Friday night July 30th. Further details will be available shortly.

#### YOUR ARGONNE CREDIT UNION

Did you know that your A.C.U. is a true financial institution? However, it differs from commercial banks and savings and loan associations in that it is a non-profit organization. The motivation of the A.C.U. is to serve its members. It does so primarily by making loans available to its members at a lower cost, and by paying higher dividends on their savings.

For further information on how to benefit from your A.C.U., call Ralph Wagner on Ext. 396.

SOFTBALL LEAGUE SCORES: Tuesday, Physics Research 16, Machine Shop 10; Beam Transfer 14, Main Ring 6. Thursday, Personnel 22, Radio Frequency 2; Beam Transfer 28, Machine Shop 4.

\*\*\*\*\*

WEDDING: Miss Jennifer Livdahl, daughter of Mr. and Mrs. Philip V. Livdahl, became the bride of David Alan Schum, in a ceremony at Our Saviour's Lutheran Church on June 12. The bride and groom are graduates of Naperville Central High School. A graduate of Lutheran Hospital School for Nurses, the bride will be employed at the Children's Medical Center in Dallas, Tex., where her husband is in his senior year at Southern Methodist University. Phil Livdahl is Linac section head.
