NEW FACE IN ARGONNE CREDIT UNION AT FERMILAB

Fermilab would like to welcome Beverly Miller, who joins June Olsen in the Argonne Credit Union branch office at the Laboratory. Beverly joins the Fermilab branch at a time when it is to be expanded to provide better service to the Fermilab members. An electronic terminal will enable members to have the same "on-line" processing service that has recently been added in the main office at Argonne. Up-to-the-second information on loan and share balances will now be available to Fermilab members.
