NAL'S ANNUAL PICNIC KEEPS COOKS BUSY

The annual NAL picnic was held Sunday, August 23, and it was a delight for a Sunday afternoon outdoor gourmet. Maitre d'Hotel Bernie Lensmeyer reports the following was consumed by the hundreds of employees and their family members who attended the day-long event: 2,200 hamburgers; 1,800 hot dogs; 1,000 boxes of Cracker Jack; 5,000 pieces of bubble gum; 1,500 cups of ice cream; 13 barrels of beer; 3,000 soft drinks; 40 pounds of cole slaw, and 200 pounds of peanuts.

The NAL All Star Softball Team, managed by Ralph Wagner, Personnel, was victorious over the NAL League champion Physics Research team, coached and managed by Roy Justice, by a 14 to 7 score.

Below are several photos taken by NAL's Fran Pisarek at the picnic:

....Jack Riffel (R), NAL Receiving, and his son, Dan (center), Main Ring, happened to be on the site with three of their horses and were kind enough to stop and give the NAL children horseback rides. Site Manager Rudy Dorner commented, "Our thanks to the Riffels for helping make our 3rd NAL picnic such a success!"....

Five families of the Antique Autos Anonymous Club, led by Augie and Jane Campagna, brought their restored autos to display at the picnic. There are fifteen couples in this unusual club; anyone interested in joining may call Augie at 964-2370....

....Don Richied, Main Ring, pours soft drinks for the junior set....

....Ernie Guzman, Transportation, pilots NAL fire engine as youngsters tour Village....
