## SEPTEMBER ACTIVITIES AT FERMILAB

*...Fermilab in September...John Barry and Jackie Gifford practice for the Canoe Race; prairie plants are studied for seed harvest (center) and Barbara Lach brings home the results of her summer's gardening efforts...*

A wide variety of activities comes to Fermilab during September as the summer season ends and the prospect of Indian summer weather means some pleasant days ahead. While over 100 Fermilab families harvest the fruits and vegetables in their on-site gardens, others are playing in the tennis tournament, and some exciting events are just ahead.

Teams are forming for the Canoe Race on Saturday, September 28. Starting at 11 a.m., the canoeists will enter the Main Ring ponds at the A sector and try for the best time record as they portage fifteen dikes and end at the F sector. The race is open to employees and visiting experimenters. Members of the Fermilab Radio Club will assist by providing communication on the race route. Spectators will be welcome to watch what should be a great race if the Lab's many good canoeists turn out. Call Larry Allen, Ext. 3724, or Helen Ecker, Ext. 3393, to register.

The Fermilab Chess Club will open its fall season with a Swiss Style tournament that begins Wednesday, September 25. According to Howie Pfeffer, Chess Club president, in this tournament, everyone plays five games, each game against a player with a similar record in the tournament up to that point; one round is played per week. The tournament matches will be played in the Central Laboratory cafeteria at 6 p.m. on Wednesdays or whenever tournament opponents agree to meet. Fermilab Chess Club play is open to anyone who likes to play chess. Clocks and chess sets will be supplied for tournament play. Contact Howie Pfeffer, Ext. 3724, to register for the tournament or to get information on the Chess Club's other plans for the coming season.

Fermilab's Auditorium Art Series opens its fall season on Friday, September 20, at 8:30 p.m. with an evening of mime entertainment starring T. Daniel. Mime is described as the art of non-verbal communication in which the artist, by body motions, depicts dramatic life situations for the audience. T. Daniel performed as a magician in his childhood and early adulthood. While a student at Illinois State University (ISU), he performed with the Gamma Phi Circus, adding tightrope walking and unicycling to his performance style. In 1969, after

(Continued on Page 2)

## SEPTEMBER ACTIVITIES (Continued)

finishing his B.S. and graduate work in theater at I.S.U., he became one of the first students of the famed Marcel Marceau in Marceau's school in Paris. Since 1971, Daniel has performed across the U.S. in his own show, combining the techniques of his versatile background. His Fermilab show includes a number of clever acts, such as "The Haunted House," "The Museum," and "The Clown."

Fermilab's Auditorium Art Series is open to all Fermilab people, their friends and families, and to the general public. Tickets for Series events are \$3.00 each for adults, \$1.50 for children. Tickets may be purchased at the Visitors Center, Central Laboratory, first floor west, or at the Auditorium door before the performance.

On Thursday, September 26, at 7:30 p.m., two renowned authorities on prairie landscapes will speak at the Fermilab. Dr. Robert Betz, Professor of Biology at Northeastern Illinois University, and Mr. Ray Schulenberg, Naturalist at the Morton Arboretum, will describe prairies in general, what the prairie was before settlement of the Midwestern U.S. and what has happened to prairie during and since settlement. Betz and Schulenberg will also describe the prairie restoration project now underway inside the Fermilab Main Ring. The meeting is also intended to provide information helpful to people who will participate in a seed harvest for the Fermilab prairie restoration project that will take place in the early weeks of October. Groups of people will be advised by Betz and Schulenberg, under the general direction of Tony Donaldson, Chairman of the Laboratory's Prairie Committee, to go to spots where remnants of authentic prairie plants are known to exist, such as in abandoned cemeteries, along railroad tracks, in the ten acres of the Morton Arboretum's restored prairie, in the Markham Prairie, and in other prairie areas. Many pounds of seeds will be collected, dried through the winter, and sown in the Fermilab Main Ring next spring. Anyone wishing to participate in this unique project may sign up at the meeting, or call Tony Donaldson, Ext. 4056, for further information. The project is open to the public. Serious students of biology may find the project educational and exciting.

The International Folk Dancing group continues to meet regularly in the Village Barn. Jim and Marilyn Griffin lead dances of many countries and cultures. Young adults and even children participate or play on the edge of the dance floor while the fun goes on. There is no charge for this activity, just bring your dancing shoes to the next folk dancing evening.

Plans are being finished by NALREC for a gala "Hoe Down" on Saturday, September 21. Fermilab's Glen Lee will call, a blue grass band will play, there'll be refreshments. Final details will be published soon.

Regular monthly events continue during September. The International Film Society movie comes on Friday, September 13; Happy Hour on September 18 will feature a bratwurst fry.

## TENNIS COURT RESERVATION PLAN ANNOUNCED

Fermilab's tennis courts in the Village have been in such demand that a new sign-up plan has been devised to give everyone a chance to play. At 6:00 a.m. each day a large printed sheet is now posted at the courts. Anyone wanting to play tennis on that day signs his name in a time slot on the sheet. All players' names must be listed. Playing time is limited to ½ hour for singles, 1 hour for doubles. Courts are forfeited after 20 minute wait, on no-show basis. No children under 18 may play after 5 p.m. Questions on the new system may be directed to the Visitors Center, Ext. 3440.

...Mime Artist T. Daniel  
at Fermilab September 20...

...Over 60 members of the Chicago Association of Commerce and Industry toured the Fermilab recently. They heard Mayor McCoy of Aurora describe the growth and development of the Fox River Valley area during the lunch held at the Holiday Inn of Aurora. Richard A. Carrigan introduced the Fermilab tour and escorted the Chicago caravan to the Laboratory. Dr. Robert R. Wilson spoke to the group and Donald R. Getz, Francis T. Cole, and Phillip V. Livdahl accompanied the guests on a walking tour of the Central Laboratory Area.

The tour was arranged to introduce the Chicago business community to the Fermilab facility and the research that is being done here...

#### PLAYGROUP OPENS AGAIN

Playgroup, a cooperative nursery school open to preschool children of Laboratory employees and visitors, re-opened on September 3 for preschool children over 18 months of age. Openings still exist for the daily Playgroup sessions at the White Farm on Eola Road. For information call Mrs. Eva Kautzky, 231-5840 or Mrs. Lynn Ducar, 879-8333.

...Argonne Credit Union now provides Fermilab members with same-day service on ReadyCash and share withdrawal checks. Requests received by 10:00 a.m. will be ready for pick up or mailing about 2:30 p.m. that afternoon. Regular loans will be processed at the Argonne headquarters as before.

In the photo above, Fermilab board members of the Argonne Credit Union Larry Sobocki (L) and Frank Kleber (R) meet with June Olsen, Credit Union representative in the Credit Union office in the Central Laboratory, 1 West. Phone number of the Credit Union office is Ext. 3293; the office is open from 8:00 a.m. to 5:00 p.m...

FERMILAB INTERNATIONAL FILM SOCIETY

presents

"WOMAN IN THE DUNES"

Friday, September 13, 1974

8 p.m. - \$1.00

Directed by Hiroshi Teshigahara, this Japanese film tells the story of a man and woman trapped at the bottom of a sand dune. "A disturbing allegory of the fate of man in the world -- a strong expression of the enslavement of the spirit by all the demands of environment. Stunningly directed by Hiroshi Teshigahara," according to Bosley Crowther, New York Times.

The Film Society invites anyone who likes good films to join the Society's film selection committee. If you are interested, call Isabel Walker, 469-0209, or Dave Ritchie, Ext. 3940.

CLASSIFIED ADS

FOR SALE - Fiberglass 11½ ft. camper on F-250 ¾ ton Ford pickup, easy maint., p.s., disc ft. brks., air, 390 V-8 special-\$2575, slide in camper alone \$1200. Call H. Clover, Ext. 3089.

FOR SALE - Attractive dinette set w/6 orange high back chairs, oval shaped white wood grain formica top-\$100. Call J. Heim, Ext. 3381.

TO GIVE AWAY - 2 black kittens about 5 wks. old. Call Gerry Reid, Ext. 3121.

FOR SALE - Cragar mags, 2 shallow, fits 14" rims. Call Dave Hoovey, Ext. 3381 or 859-2448.

FOR SALE - Westinghouse 20 pt. dehumidifier, Model ECJ-20, danish walnut, excellent condition, \$50. Call Robert J. Kolar, Ext. 3299.

FOR SALE - 1973 Chevy Malibu, auto., p/s/b, vinyl roof-\$2300 or offer. Call Shirley, Ext. 3405.

TO SUBLET - Completely furnished 2 bdrm. apt. in West Chicago from Oct. to Nov. Not suitable for small children. Call A. Weitsch, Ext. 3946/3172 or 231-8493.

FOR SALE - Mini-Bike, 3½ h.p., gd. cond., \$75. Call Howard Dixon, Ext. 3555.

FOR SALE - ATTN: Horse Lovers - hay, straw & oats, reasonable. Call 231-8127 evenings.

FOR SALE - 19" Zenith color console TV, \$40 or offer. Call Malloe, Ext. 3414 or 653-6125.

FOR SALE - Trailer hitch for full size car, \$12 or offer. Call Kyu Lee, Ext. 3762 or 3019.

FOR SALE - 40'x120' camping lot near lake, elec., water, refuse pickup, paved rds., comfort stations w/showers, 24 hr. security, approx. 85 mi. from Chgo. Call H. Clover, Ext. 3089.

FOR SALE - Sears washer-\$10; Sears 5 spd. 24" bike-\$10. Call Frank Mehring, Ext. 4048.

FOR SALE - Wurlitzer Spinet Organ, Model 4100, cherry finish-\$700. Call T. Hornyan, 897-5515.

FOR SALE - Masterworks stereo, Gerrard changer, am/fm,w/8 track, spkrs. incl., \$150 or offer; Eng. Springer Spaniel champ. pedigree, male 9 mos. old, \$100. Call Janet, Ext. 3324.

TO SUBLET - Extra large 2 bdrm. apt., until Feb. 28, w/stove/refrig/carpeting, 5 mi. from Lab, \$183 per month. Call Andy Oleck, Ext. 3862 or 898-9141.

FOR RENT - One room in No. Aurora, \$25 p/wk., trans. to Lab avail. Call Judy, Ext. 3935 or Gil, Ext. 3728 or 892-1829 evenings.

WANTED - Horse to board, pasture, no box stalls. Call Leon Bartelson, Ext. 3259 or 892-7120.

FOR SALE - 1964 Olds 88 Sta. Wagon, 87,000 mi., a.c., p/s, needs work-\$75 or best offer. Call Burt Sandberg, Ext. 4052 or 355-3312.

FOR SALE - 1968 Rambler Rebel, gd. cond., runs excel., \$300. Call J. Bockmier, Ext. 3259.

FOR SALE - Six mos. old bright red carpet w/pad, \$225. Call Freddie McIntosh, Ext. 3883 or 3886.

FOR SALE - Queen size trad. bdrm. set-\$200; Meditteranean loveseat-\$85 & console stereo w/am-fm radio, \$200 or best offer. Call Kathy, Ext. 4072.

FOR SALE - Chrysler 4-spd. transmission w/shifter, gd. cond., fits 383 & 440 C.I.D. engines, \$100 or best offer. Call Jim Krebs, Ext. 4075.

FOR SALE - 1966 Volkswagen, low mil., clean. Call B. Kastner, Ext. 3841 or 898-7831.
