## NEW ACCESS ROAD PLANNED FOR CENTRAL LABORATORY AREA

Plans are being developed for a new access road from the Central Laboratory area to the western boundary of the NAL site. It will be a unique, scenic and curving roadway with two lanes--one lane going into the site and another going out. The roadway will leave the Central Laboratory area at its western edge and connect with Pine Drive at the recently-improved Kirk Road. Engineers are designing the road to provide maximum appreciation of the wooded environment and of the high rise building that will house the Central Laboratory in the footprint area. The two lanes for the roadway will not parallel each other. It is hoped that the roadway can be built during the current fiscal year although because of funding problems there is a possibility that its completion might be scheduled for late 1972.

Meantime, a new, wide road has been built at the western boundary of the NAL site. It is a smooth, four-lane asphalt highway (Kirk Road) running 2.8 miles from Wilson Street, near the northern edge of NAL's site to Butterfield Road, at the southern boundary. The road includes a four-foot median and curbs and gutter. There is an opening for the main entrance to NAL at Pine Street, Batavia, on this section of newly-completed Kirk Road. We understand that plans are being completed for a bridge to cross the Chicago and Northwestern Railway tracks and Roosevelt Road at the eastern end of Geneva--the present main traffic hazards as one proceeds north on Kirk Road.

In several years, the Highway Department expects that Kirk Road traffic will move

(continued on Page 2)

NEW ACCESS ROAD PLANNED FOR CENTRAL LABORATORY AREA (Continued from Page 1)

across a four-lane highway of similar construction from the East-West Tollway to North Avenue (Route 64) at the eastern edge of St. Charles.

Meantime, Batavia Mayor Robert Brown has announced that Illinois Route 25 south of Batavia will be closed for construction of a new bridge over the old Chicago, Aurora and Elgin R.R. right-of-way, which is now part of the Illinois Prairie Path. Construction time is estimated at approximately three months. The road will be completely barricaded north and south of the bridge. Detour signs will be posted. Route 25 is approximately a mile west of the NAL site and is used generally as a link between Elgin and Aurora.

The State of Illinois Highway Department plans to begin work soon on widening Illinois Route 59 to four lanes from North Avenue (Route 64) to the East-West Tollway. In addition, work is progressing on the widening and improvement of the Averill-Barton Road from Illinois Highway 25, at the eastern edge of the Fox River, to Illinois Highway Alternate 30 (Roosevelt Road). This project is 3.9 miles long and will cost about 1.3 million dollars.

PRE-SCHOOL PLAY GROUP OPENS SEPTEMBER 21

A cooperative pre-school playgroup will open for children over 18 months of age on Tuesday, September 21, 1971 at the White Farm on Eola Road on the NAL site. The group will meet Tuesday, Wednesday and Thursday mornings (from 8:30 a.m. to 11:00 a.m.). It is planned that supervision will be provided by the parents and educational equipment and toys have either been purchased, made by the parents, or obtained through donations. A fenced area has been prepared in the yard for outdoor play.

Chairman of the group is Mrs. Helga Biggs. Interested persons should contact Mrs. Ann Gordon, 393-9144, in Warrenville for further information. All families of NAL employees are welcome to join in this activity.

HAPPENINGS AT THE AREA AEC OFFICE - By Minerva H. Sanders

William Olach

As a result of our various articles in the Crier re our wonderful, talented, dedicated staff (no brag, just facts), William (Bill) Olach decided to come up temporarily to check "things" out first hand. Well, needless to say, he was so impressed that he decided to stay on as a permanent replacement for Jack Kiefer. Seriously though, Bill has been with the Federal Government for approximately 23 years, and for the last four years served as Assistant Director of the Supply & Services Div., CH, at Argonne. He has an extensive background in the procurement and property management field, among his many accomplishments, so his new job here will be just like "taking candy from a baby." (smile) As the saying goes, "If you can't beat 'em, join 'em."

Many thanks to Doug Haag, Office of the Chief Counsel, CH, who took care of our legal problems while Bill Donato was on vacation.

Sophie Bettien, AEC's Federal Women's Program Coordinator, has been visiting the various field offices to discuss the FWP with the managers, their staffs and the women employees. Pictured here on her recent trip to CH and the 200 BeV is Sophie (second from left) and the FWP Committee appointed by Mr. Kenneth A. Dunbar, Manager, CH, to advise and assist Mr. William Fuzak, CH FWP Coordinator. Absent from the picture, in addition to Mr. Fuzak, is Janice Svadbik who serves as secretary to the committee.

....(L to R) Virginia Hummel, Sophie Bettien, Minerva Sanders and Jane Monhart....

We're happy to report that our Area Manager, Kennedy C. Brooks, is back on the job.

MISSION IMPOSSIBLE-Trying to convince Marilyn and Amelia that they cannot set up a vegetable stand on-site to sell the vegetables raised in Amelia's garden.

FISHING DERBY TO BE HELD SATURDAY, SEPTEMBER 25

On Saturday, September 25, from noon until 4 p.m., NAL employees and their families are invited to participate in a fishing derby to be held at the Fire Pond behind the Curia in the NAL Village.

Fishing competition will be divided into age groups 0 to 7, 8 to 11, 12 to 16, 17 and above. You can register upon arrival at a table near the Curia and get a set of rules.

At 4 p.m., the judges will pick the winners and award the prizes. Everybody should bring his or her own fishing gear. Worms will be furnished. If you want to register early or for information, call George Nosal, Ext. 781.

On the same day, at the same time, NAL campers under the direction of George Doyle, may set up camping equipment for a brief demonstration at the corner of Blackhawk and Shabbona. Information will be exchanged on camp sites, trailer maintenance and the auto requirements for towing trailers. It will be an opportunity to exchange ideas on how to enjoy camping. If you want to exhibit or for further information, call George Doyle on Ext. 421.

NEWS FROM NALWO: The Gourmet group will sponsor a German dinner on Saturday, Oct. 9th at the home of Jim and Marilyn Griffin, 32 W 028 Army Trail Road, Wayne. Attendance limited to the first ten couples. For reservations, call Mary Ann Ryk before October 4th, 968-8651

\*\*\*\*\*

REMINDER: Happy Hours will be held on Wednesdays, Sept. 22, Oct. 6, and Oct. 20, 1971 from 5 to 6:30 p.m. in the Village Barn. \*\*\*\*\*

## AWARD TROPHY FOR GOOD SPORTSMANSHIP

Members of the NAL 12" fast pitch ball team which played in the Aurora Park District league this summer, presented the trophy awarded to their team for Good Sportsmanship to Charles F. Marofske, Personnel Manager, to be added to the trophy case in the NAL Cafeteria. Shown (L. to R.) are team members Larry Sobocki (Operations), Marofske, and Bob Oberholtzer (Beam Transfer).

Other NAL employees who played on the team were Leo Ray (Meson Lab.), Don Mendenhall (Operations), Ed Podschweit (Main Ring), Reid Riheil (Neutrino Lab.), Jim Thompson (Bubble Chamber), Mark Kibilko (Main Ring), and Bob Kocanda (Operations).

## FLU VACCINATIONS TO BE GIVEN AT NAL ON OCTOBER FIRST

The NAL First Aid Department will begin giving flu vaccinations to employees on Oct. 1st. The inoculation will give protection against three strains of Asian flu and also against Hong Kong flu. If you have had previous inoculations, you will need only a booster; if not, a series of two shots will be necessary to give protection. For further information, call Dorothy Poll, Ext. 232.
